de la 45 m2

Exfactor Group Construction Company presents the new Residential Complex Ion Buzdugan 9, in Buiucani sector.

Situated in a quieter region away from the city's hustle and bustle, the complex offers comfort, tranquility, and harmony with quick and easy access to points of interest, public transportation, kindergartens, schools, parks, and hypermarkets.

The spacious and ultramodern apartments are designed to provide a high level of functionality and space utility.

The block is not just a residential complex; it is a lifestyle. Away from the congestion and pollution of Chisinau.

The complex consists of 3 residential blocks with a reinforced concrete structure, and the exterior and interior walls are made of red brick from Macon SA. The facades of the blocks have a thermal insulation system with mineral wool. The floors are soundproof and thermally insulated, allowing for a quiet and comfortable living.
