de la 71,5 m2

Premium Residence is the most ambitious project of Ecovzor Construct Imobil. Designed with attention to detail and customer desires, this project represents the perfect vision for a harmonious, comfortable, and upscale urban lifestyle.

Benefits of Premium Residence:

- **Quality, Safety, and Comfort:** Each apartment is designed to offer the highest living standards, so you always feel at home.
- **Sound insulation between apartments:** Enjoy privacy and tranquility, without being disturbed by noise from neighbors.
- **Thermal insulation of the façade:** The use of mineral wool ensures a pleasant and energy-efficient environment throughout the year.
- **Closed underground parking:** Your vehicle's safety is guaranteed, and access is easy and convenient.
- **Panoramic windows:** 5-chamber profile with 3 glasses that provide a
